*“Specializing in Travel with Sporting Weapons !!”*
- **Passport** – Check your expiration date. And you need four blank consecutive pages in it for the RSA stamps, and at least 6 months before expire date.
- **Money** – If you’re planning to use your credit card in South Africa ,increase your daily limit. You might buy something for R5000,00(South African Rands),although it will be converted to US Dollars(\$714.00)it will show that you used 500 units of your limit ,and if you limit is only \$2000.00 or \$5000.00 you won’t be able to make the transaction or use your card the same day.
- Notify your bank and credit card Company that you’ll be traveling abroad so they won’t suspect foreign transactions made with your credit card.
- Know your credit card’s pin number, if you want to draw cash from an ATM.We do not accept American Express credit cards, other credit cards, cashiers check ,travelers checks ,or cash is welcome.
- South African money is called South African Rands, and the exchange rate against the Dollar, vary between R6.80 – R 7.30 per 1 \$.All depends on the rate of the day.
- **Travel insurance** – Try [www.medjetassistance.com](http://www.medjetassistance.com)
- **Insurance on guns and equipment** – See [www.sai.net](http://www.sai.net)
- **Register your guns with US Customs and get a Form 4457.**Maximum 2 guns per hunter and **NO SEMI AUTOMATIC GUNS !** Keep registration with you on the plane.As well as letter of invitation.
- **For you that don`t want to stand in line to register your guns in South Africa, I highly recommend that you get in touch with Bangy Travel, they are a South African based company that will handle all your imports papers for your guns. Contact Sharon at: [bangy@telkomsa.net](mailto:bangy@telkomsa.net) Tel: +27 (0)11 942 2912**
- **Guns and Ammo** – 60 Rounds per gun would be enough. *No Semi Automatic Rifles. No Rifles of the same caliber per person.*
- **Pack ammo separate from guns ,in locked metal container. Pack it so that it can be reached easily, for you will have to take it out for inspection.**
- **Binoculars**
- **Cameras** – We do develop film on a daily basis. Remember spare batteries.
- **Medicine & Prescriptions.**

- **Hunting Boots.** (Well Worn)
- **Our voltage is 220 V and have 3 point plugs. Do bring converters if you have .**
- **Hunting clothes – 2 Pairs, and cammo are allowed in South Africa. If you like to wear shorts ,those zip – off pants are perfect. We do laundry on a daily basis, so pack light.**
